BECKI SMITH, Editor-in-Chief

Robert,
It has been great
to be in your class
and when school is out we
can all be best. Ha! Ha! Best of
luck in the future. Don't do anything
I wouldn't but I know you do, name it after
me. See you next year.
your friend
Curtis

It's been

Dan

It's been fun all year,

up on John again.
Chris Weber (S.R. 62) I hope

ROBERT,
WELL IT'S BEEN FUN?
IT COULDNT OF BEEN TOO
MUCH FUN WITHOUT ALL
OF US HELL RAISERS THERE.
I GUESS YALL MADE OUT ALRIGHT
WITHOUT US BUT I BET IT WAS

until then
Frank.

Wolf,
I have never really run with you
much, but do remember the hunting
trips we went on, man, we lucky
to be alive. Be careful & study
hard.
your friend,
Norris

# When School Was Out Last May

Dear Poith,
Its been great this last year & I hope we can have just as much fun next year I know we will. Now that we moved back to Burrwood everybody else will have to move away if they don't want to look at me! - ha. I hope to see a lot of you this summer, cause I know we can have a blast -
Lots of luck, always
a friend - Phil

Maybe w. th luck you

# Swiss Miss in Texas

Our first foreign exchange student, sponsored by the American Field Serve, is Ursula Boehlen, of Zurich, Switzerland. Ursi finds a home and a piace in the hearts of the people of Brownwood by her poise, friendliness, and charm. We have pleasant memories of Ursi as she appears in the many activities that make up life at BHS and in the community.

Ursi and her Swiss family, Boehlen.

Ursi and her American family, Jamar.

Ursula chose her courses during registration with the help of faculty and students.

Ursi, accompanied by her sister, spoke at civic club.

Ursula was presented to Lions Fans at halftime at first football game.

The entire school helped Ursi celebrate her first birthday in America, Texas style

Ben Barnes, Speaker of the House, presented Ursi with a certificate of Texas citizenship.

Ursi planned for her Christmas in the United States.

Ursi was always on hand to boost our State Champions.

The children of the elementary schools were very interested as Ursula entertained with a program.

Ursi also presented a program on Switzerland to her own school, BHS.

Ursi was a special guest at the annual Auto Show.

# Girls' and Boys' State

Annette Morris and Ann Carmicheal attended the 1965 session of the Bluebonnet Girls' State, a mythical state whose purpose was to instil in girls an incentive to participate actively in civic activities and in government. The ten day period was one of the most enjoyable and memorable of the girls' lives.

Boys' State is a mythical 51st state that is designed for the purpose of teaching young men the mechanics of American Government. Boys' State oifers boys a chance to prepare themselves for a future of leadership in a democratic nation. Along with a chance to prepare for the future, the boys have a great opportunity to meet new friends and associate with 750 boys from all parts of Texas. Boys' State is truly an experience that every boy should have. Boys attending were Robert Porter, Jimmy Piper, Bill Streckert, Steve Storm, David Henley, and Rody Smith.

Robert,

Well Buddy – just one more year and then your out. It doesn't take long and then it is all over so live it up. You didn't ask me to sign this – but it would. Boy we have had some good times over here. In fact you and I have had parties over Lew. I'm glad you and I have had. Some good times everywhere. Don't forget them. We will make that apartment in Houston yet. Maybe Dan won't make it – but I hope we can. Keep up the good work and stay in there. Good luck and God's Speed.

Your friend always,

~~RECEIVED~~!

Dear John Rolfe,

Can you actually believe that we have made it through this year? It's been a lot of hard work, but there was a lot of fun too. I don't believe we could have made it without each other, even though we did have a major crisis. I know that I am quite a problem, but I have some good points too! I am sorry for all the many times that I made you so mad. All you have to do is tell me your getting mad, and I'll shut up.

I am looking forward to this summer and next year with you. We will have all sorts of fun when you are a bra~~n~~d bad junior. Maybe I will have a little more freedom, and a few more privileges. Maybe we will even make it to the Draya!

I hope that we don't have any more problems, Robert. Those few weeks almost drove me crazy. You don't know how hard it is to see someone that your really crazy over, just upset you.

Let's stay just the way we are now.

Love you very much,

Celine
